

# Gift Aid declaration form

Gift Aid allows us to claim back from HMRC the tax which donors have paid on their donations. We can receive an extra 25p for every £1 you donate, and it doesn't cost you or us anything.

You just need to make a declaration once, and we will be able to claim on all your future donations and those made in the past 4 years.

*We can use this extra money to make your support worth more to benefit pet health.*

I would like to support BSAVA PetSavers further by making a Gift Aid declaration \*Mandatory fields

Increase your donation by 25% at no extra cost to you!

- Yes, I would like BSAVA PetSavers to claim Gift Aid on this donation, any donations I have made within the last four years and all donations I make in the future until further notice.\*\*
- No, I'm not a UK taxpayer.

\*\* By ticking the Gift Aid box you are confirming that you are a UK taxpayer and understand that if you pay less Income Tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all your donations in that tax year (6 April to 5 April) it is your responsibility to pay any difference. BSAVA PetSavers will reclaim 25p of tax on every £1 you donate.

Please notify us if you would like to cancel your declaration, if you change your name or home address or if you stop paying sufficient tax on your income and/or capital gains.

Please return your
